KYOCERA mita

KM-5035/4035/3035
Serious Productivity Partners

KM-5035/4035/3035 Highlights

- Fast Output Speeds of 50, 40, or 30 pages per minute

- Optional Network Printing, Scanning, and Fax

- Standard 64MB RAM

- Optional 20GB Multipurpose HDD for Document Management

- Standard 3-way, 1,200 Sheet Paper Supply and Duplex

- Advanced Finishing and Paper Handling Options

- Powerful Imaging Features and Capabilities, designed to increase productivity and streamline workflow

With workgroup solutions that work overtime, you can take total control of all your critical document tasks.

Kyocera Mita introduces a new generation of networked, multi-function document devices that are rapidly redefining workgroup productivity and efficiency. Engineered for the serious demands of corporate environments, the KM-5035, KM-4035, and KM-3035 Document Imaging Solutions build on Kyocera Mita's reputation for delivering unsurpassed quality, performance, and reliability.

Incorporating many of Kyocera Mita's innovative advances—including a universal KX Driver for printing, as well as seamless network integration—the versatile print, copy, scan and fax features are also simple to use, making workgroup collaboration convenient and effortless. This ease of functionality dramatically reduces the burden on network administrators and IT staff, while increasing the ability of all users to better manage and control document flow.

With the KM-5035, KM-4035, and KM-3035, Kyocera Mita pays close attention to your bottom line, too. Designed to economically manage the output demands of fast-paced workgroups, these cost-effective document solutions can mean significant savings for your organization over time, through conserved resources, reduced maintenance, and increased workflow efficiency.

So whether your documents are paper-based or electronic—whether you're generating financial reports, educational materials, sales guides, or other high-impact communications critical to your business—Kyocera Mita has a workhorse to handle your workload. Put higher productivity and performance in the hands of your workgroup with a simple solution from Kyocera Mita.

Maximize management capabilities from your desktop with outstanding network connectivity.

The KM-5035, KM-4035 and KM-3035 connect easily to virtually any network via wired or wireless options. Once connected, they're transformed into versatile multi-function devices that give any enterprise complete control over its documents.

Kyocera Mita's Advanced Network Setup Utilities ensure that initial setup and configuration of our document devices can be handled with unparalleled ease. Using these advanced tools, Network Administrators can set protocols, printing defaults, and preferences, enable notification services, and apply security—simply by entering an IP address in any browser interface. Minimal time is required for configuration, so Administrators are free to concentrate on other tasks. And because they're controlled through a Web interface, the KM-5035, KM-4035 and KM-3035 can be managed from any desktop.

The instant you're connected, KM-NET Viewer takes over. This Administrative Utility—provided at no charge—allows Network Administrators to monitor all SNMP compliant printing devices on the network. With KM-NET Viewer, Administrators can oversee the network configuration, check paper levels, change device defaults, and view meter counts. The ability to set auto reporting, e-mail notifications and alerts also allows Administrators to address any issues or problems in real-time.

Of course, wireless networking is the new frontier in office automation and Kyocera Mita is at the forefront of the wireless world with our IB-22 Enhanced Wireless Network Interface. We were the first to introduce an embedded, WiFi certified wireless solution for all our devices—expanding boundaries while adding flexibility and mobility to any network.

ADVANCED NETWORK SETUP
The Advanced Network Setup Utility can be accessed from any Web Browser. Setup and configuration are accomplished from the desktop, providing a quick, easy way for Administrators to complete this task. The Utility allows Administrators to set multiple network protocols, device defaults, security, and advanced notification for either wired or wireless networking.
MANAGE DEVICES
KM-NET Viewer allows Administrators to monitor and maintain all Kyocera Mita and other SNMP Compliant devices from the desktop. This Utility is easy to navigate, and provides valuable feedback, in real-time, so issues can be addressed promptly.

Once running, KM-NET Viewer can attain in-depth information from Kyocera Mita Devices. Status, meter counts, and paper levels can be viewed, and automatic reports can be generated. Error notification, via pop-up or e-mail, can also be configured.

WIRELESS NETWORKING
Kyocera Mita was the first to introduce an embedded Wireless Solution for all our printers and multi-function devices. It is WIFI certified by WECA for security, featuring 64 and 128 bit encryption.

PRINT

One easy-to-use, universal print driver empowers greater productivity in every user.

At Kyocera Mita, the driving force behind product design is maximum efficiency, simplicity, and productivity for both Administrator and end-user. Our sophisticated KX Driver is one result. A major advance in ensuring device consistency, compatibility, and integration, the KX Driver is common to all Kyocera Mita products regardless of connected device, Page Description Language, or Windows™ operating system.

The KX Driver gives you full access to and control over all paper resources, publishing features and advanced finishing capabilities. With the KX Driver you can create outstanding documents—complete with Covers and Inserts, and finished with staples or hole-punch —saving you time and reducing costly outsourcing expenses.

PRESCRIBE, Kyocera Mita's native command language, gives you the ability to master complex printing challenges on the KM-5035, KM-4035 or KM-3035. Whether your company is interested in reducing the expense of pre-printed forms, or migrating from older line-printers, PRESCRIBE can solve unique applications for specific business needs.

For added versatility, our PDF Direct Print Utility significantly enhances your ability to generate impressive documents. Designed to print Portable Document Format (PDF) files outside the application, PDF Direct Print takes advantage of all key product features, such as paper handling, finishing, duplex, and even Job Storage. For the workgroup that demands productivity, PDF Direct Print delivers.

UNIVERSAL PRINT DRIVER

Our unique KX Driver is designed with a common user interface—regardless of device, Windows OS, or PDL. You'll have total control over every feature of the KM-5035, KM-4035, or KM-3035, including paper, publishing, finishing, and document storage.

PROFILES

Workgroup clients can save Print Job settings for frequently required finishing and paper handling features. Documents can be printed productively, without a need to worry about output.

KX DRIVER SETTINGS

From properties, Administrators and end-users can choose from many options. Whether users prefer to print using PCL or Postscript language, or the enterprise requires Account Management for tracking, the universal KX Driver has the capabilities.

PRESCRIBE

Print directly on forms and letterhead stored on the device, eliminating the need for costly pre-printed materials. Print commands are contained in the Prologue/Epilogue tab on the KX Driver for easy access.

PRINT ON DEMAND

With the optional eMPS Printer HDD, the KX Driver has the expanded capability to print and store documents with barcodes, create Virtual Mailboxes, and ensure secure printing. Truly versatile, the e-MPS HDD is an essential tool for workgroups.

MULTI-PLATFORM SUPPORT

Whether your enterprise prints from Windows, Mac, Linux or UNIX, the KM-5035, KM-4035, or KM-3035 can do the job. Postscript (KPDL3) is included with the Print Option, so users can utilize our Desktop Print Utility from Mac, or print to Linux or UNIX from CUPS or PDQ.

Unprecedented document sharing and delivery capabilities mean improved communications across your enterprise.

Included with our print system, Kyocera Mita's advanced Scanning Suite offers the most comprehensive solution available, allowing you to deliver, share, and retrieve paper based documents easily in electronic formats. Documents can be scanned as either PDF or TIFF, up to 600 dpi, simplex or duplex. For integration with desktop applications, our Scanning System is also TWAIN-compliant.

For enhanced document management within your enterprise, we offer the KM Document Flow System. Access network folders and subfolders from the Touch Screen, and efficiently archive paper-based documents at a network destination. Once the destination is selected, you can index files on many levels, including File Name, Subject, Keywords, and Creator Name. Search and retrieval can also be accomplished from the desktop using the software package that's bundled with the Scanning Suite. Scan-to-E-mail allows documents to be sent directly from the device, either manually from the Touch Screen Interface or the integrated Address Books. For more demanding enterprises, our LDAP Converter (Lightweight Directory Access Protocol) allows users to search a Corporate E-mail Database of over 65,000 addresses. Scan-to-File enables users to send documents directly to their PC or MAC as PDF or TIFF, and into various applications for Optical Character Recognition (OCR) or editing.

Convenient and economical, Network Fax supplements your workgroup's stand-alone facsimile capabilities with Super G3/33.6 kbps high-speed delivery of documents. Send/receive faxes at your desktop, direct incoming faxes to specific PC folders, store frequently used destinations, attach cover sheets, add messages, and more.

SCAN VERSATILITY

Our Scanning solution includes diverse functionality to satisfy any enterprise. Whether your business applications require Document Management, Scan-to-File, Scan-to-E-mail, or TWAIN scanning, our standard Scanning System can deliver.
ONE TOUCH SIMPLICITY

Kyocera Mita's Scanner System is accessed directly from the wide Touch Screen Interface for document delivery. Once the proper destination is chosen, scanned documents can be delivered intact. Documents can be scanned from the platen or Document Processor, in simplex or duplex, as TIFF or PDF, at resolutions up to 600 dpi.

SCANNED IMAGE MANAGEMENT

The DB Assistant Utility, part of KM Document Flow, offers the ability to scan directly to folders and subfolders on the network from the Touch Screen Interface. Documents can be indexed using Keywords, File Name, Subject, or Creator Name. These new electronic documents can be searched using software supplied with our Scanning System.

FAX / NETWORK FAX

The addition of fax opens up exciting possibilities for the Workgroup. Now, deliver faxes to any location from the control panel or the desktop. Faxes received can be printed or sent to folders on the network. Combined with the Print/Scan System, our Network Fax offers serious business solutions.

COPY

Manage your workgroup's output demands with the highest level of functionality and versatility.

At the heart of any powerful imaging solution is reliable copy functionality, and Kyocera Mita's reputation for delivering superior copier systems is simply unsurpassed in the industry. The KM-5035, KM-4035 and KM-3035 incorporate the best of Kyocera Mita's copier technology, providing exceptional productivity, reliability, and image quality.

Built with the workgroup in mind, these document solutions have the ability to generate 85,000–150,000 pages per month, and come standard with duplex and a 3-way 1,200-sheet paper supply. There's an optional 100-sheet Document Processor, and you can choose to maximize your paper supply with 1000 or 3000 sheet paper decks.

For an even higher level of document management, we offer an optional 20GB Hard Disk Drive. This allows workgroups to take advantage of features like Synergy Print Box, enhancing a user's ability to share documents and collaborate on projects by combining individually stored files to create new documents. The Shared Data Box can be used to store any document that is routinely needed in an office, like expense forms or fax cover sheets. And the Forms Gallery allows static forms to be stored and named, ready for output any time, using the Forms Overlay feature. You can professionally finish documents, too, with a wide range of options to meet your workgroup's finishing needs, including Edge or Book Staple, multiple Hole-Punch, and more.

All three devices employ our exclusive, long-life Amorphous Silicon Drum technology—combined with our high yield toner capacity, this assures dramatically more images and fewer interruptions.

SIMPLE TOUCH SCREEN INTERFACE

The KM-5035, KM-4035 and KM-3035's intelligently designed control panel offers a wide Touch Screen Interface for error-free feature selections and ease-of-use. The Touch Keys, Text Messages, Graphics, and Shortcut Keys—in combination with a User Choice Screen—assure that frequently used features can be deployed instantly.
MULTI-PURPOSE HARD DRIVE

With the optional, multipurpose 20GB Hard Disk Drive, you can archive up to 70,000 pages and store critical information like frequently used forms, manuals or corporate directories for instant reprinting.
FINISH THE DOCUMENT

The optional finishing enhancements add a complete, professional look to your documents. Pages can be finished with Edge or Book Staples, while Two and Three Hole-Punch are available for binder presentations.

Hole-Punch & Edge Staple

Covers and Inserts can be added, giving extra impact to your documents. Create superior output, all from the Touch Screen Interface.

Covers / Inserts

Produce letter and ledger signature style booklets with auto V-fold and saddle stitch. These advanced finishing features make outstanding Desktop Publishing simple.

Saddle-Stitch

SOLUTIONS

Superior performance when the pressure's on— because in today's business environment, the pressure is always on.
With so much to do every day, you need more to do it with—and Kyocera Mita has the feature-rich, cost-effective document devices to get the job done. Whether you select the KM-5035, KM-4035, or KM-3035, you'll be employing a workgroup solution that delivers unprecedented document and device management capabilities.

With more standard features than ever before—plus all the critical capabilities today's workgroup demands—these three multi-function solutions surpass all devices in their class. Any one of them is a smart choice when you want a people-friendly, comprehensive solution that gives you the level of enterprise control, flexibility, and dependability you need to stay competitive.

Advanced Kyocera Mita features such as the KX Driver, PRESCRIBE, KM Document Flow and KM-Net Viewer ensure comprehensive job tracking and document control capabilities for Network Administrators while supplying end-users with powerful tools to solve any unique application. From simple documents to forms output to complex printing applications, your organization will be able to keep more jobs in-house, reducing outside imaging expenses, and shortening the turnaround time on critical jobs.

Our solutions partners also offer products that integrate with the KM-5035, KM-4035 and KM-3035 for specific business applications and requirements. automatically reports total meter counts to your servicing location via e-mail.

You have a talented, multi-tasking workgroup that never quits. We have an affordable, multi-function workhorse that shares the same work ethic. The KM-5035, KM-4035, and KM-3035 Document Imaging Solutions from Kyocera Mita. Productive, versatile, reliable—and ready to get to work.

KM-5035 / 4035 / 3035 Specifications

basic specifications:

Configuration:	Desktop Digital Copier with Standard 500 x 2 Paper Drawers Plus 200 Sheet Multi-Purpose Tray, Standard Duplex, Optional Network Printing, Scanning and Network Fax
Resolution:	600 x 600 DPI Resolution / 256 Levels, Fast 1200 DPI Print Resolution
Copier Memory:	Standard 64MB RAM; Optional 20GB HDD
Magnification:	Full Size, 5 Reduction, 5 Enlargement Preset Ratios, Plus 25-400% Zoom
Electrical Requirements:	120V, 60Hz, 12A
Dimensions:	23"W x 25"D x 29"H
Weight:	180 lbs
Max. Monthly Volume:	KM-5035 – 150,000 Pages Per Month
	KM-4035 – 120,000 Pages Per Month
	KM-3035 – 85,000 Pages Per Month
Warm-Up Time:	Within 25 Seconds, Program During Warmup, Auto Start
First Copy Out:	3.5 Seconds (5035/4035), 3.9 Seconds (3035)
Pages Per Minute:	KM-5035 – 50 Letter, 26 Legal, 26 Ledger
	KM-4035 – 40 Letter, 23 Legal, 23 Ledger
	KM-3035 – 30 Letter, 20 Legal, 20 Ledger

paper supply:

Standard Paper Sources:	Dual 500 Sheet Drawers, 200 Sheet MPT, Auto Selection / Switching, Add Paper While Running
Drawer Paper Size:	5.5" x 8.5" – 11" x 17"
MPT Paper Size :	5.5" x 8.5" – 11" x 17"
Std. / Max. Paper Capacity:	1,200 / 4,200
Paper Weight:	16 – 28 lb Bond via Paper Drawers, 16 lb Bond – 110 lb Index via MPT
Input Materials:	Bond Paper, Recycled Paper, Transparencies, Labels, Envelopes

duplex unit:

Paper Size:	5.5" x 8.5" – 11" x 17"
Paper Weight:	17 – 21 lb Bond
Duplex Modes:	Standard 1:2, 2:2, Book: 2, 2:1

copy functions:

Imaging Modes:	Text, Photo, Text / Photo, Auto, Manual, ECO
Continuous Copy:	Up to 999, Auto Reset to 1
Additional Features:	Auto Magnification and Paper Select, Job Build, Job Queue, Batch Copy, Booklet Mode, Book Mode, Combine Image, Covers, Erase Mode, Image Overlay, Image Rotate, Image Reverse, Interrupt, 8 Job Programs, Margin Shift, Mirror Image, Page Numbering, Transparency Mode, Memo Mode, 100 / 1000 Management Codes, XY Zoom, Auto Centering Optional Document Management: Store Documents, File Merge, Forms Composition, Repeat Copy

paper handling options:
document processor: SRDF-2

Type:	Reversing Automatic Document Processor
Acceptable Originals:	5.5" x 8.5" – 11" x 17", Mixed Size
Capacity:	100 Sheet RADF / 50 Letter Size Originals Per Minute
Paper Weight:	9 – 42 lb Bond
Dimensions / Weight:	21.8"W x 18.8"D x 5.4"H / 23 lbs

finisher: DF-71

Stack Capacity:	Main Tray: 3,000 Sheets; Sub Tray: 250 Sheets
Paper Size:	Main: 8.5" x 11" – 11" x 17"; Sub: 5.5" x 8.5" – 11" x 17"
Paper Weight:	12 lb Bond – 110 lb Index
Staple Capacity:	50 Sheets: 8.5" x 11"; 30 Sheets: 8.5" x 14", 11" x 17"
Edge Staple Position:	3 Positions: Top Left, Bottom Left, Left / Top Side
Punch:	Standard 2 and 3 Hole
Dimensions / Weight:	27.1"W x 23.5"D x 41.5"H / 110 lbs

simple finisher: DF-73

Stack Capacity:	Main Tray: 1,000 Sheets
Paper Size:	Main: 8.5" x 11" – 11" x 17"
Paper Weight:	17 lb Bond – 34 lb Bond
Staple Capacity:	30 Sheets: 8.5" x 11"; 20 Sheets: 8.5" x 14", 11" x 17"
Edge Staple Position:	1 Position: Top Left
Dimensions / Weight:	21.9"W x 20.7"D x 36.0"H / 55 lbs

Stack Capacity:	Main Tray: 1,000 Sheets
Paper Size:	Main: 8.5" x 11" – 11" x 17"
Paper Weight:	16 lb Bond – 110 lb Index
Staple Capacity:	50 Sheets: 8.5" x 11"; 25 Sheets: 8.5" x 14", 11" x 17"
Edge Staple Position:	4 Positions: Top Left, Bottom Left, Left Side, Center
Saddle Stitch:	8.5" x 11", 11" x 17"; Up to 10 Sheets
Punch:	Optional 2 and 3 Hole
Dimensions / Weight:	28.3"W x 23.7"D x 39.4"H / 86 lbs

internal finisher: DF-78

Stack Capacity:	500 Sheets
Paper Size:	8.5" x 11" – 11" x 17"
Paper Weight:	16 lb – 28 lb Bond
Staple Capacity:	30 Sheets: 8.5" x 11"; 20 Sheets: 8.5" x 14", 11" x 17"
Edge Staple Position:	1 Position
Dimensions / Weight:	12.2"W x 16.0"D x 6.3"H / 19.8 lbs

multi-bin mailbox: M-2107

Number of Trays:	7
Tray Capacity:	100 Sheets: 5.5" x 8.5" – 8.5" x 11"; 50 Sheets: 8.5" x 14" – 11"x 17"
Paper Weight:	17 – 21 lb Bond
Dimensions / Weight:	20.0"W x 15.7"D x 18.5"H / 22 lbs

punch unit: PH-2

Paper Size:	8.5" x 11" – 11" x 17"
Paper Weight:	17 lb Bond – 110 lb Index
Number of Holes:	2 and 3
Weight:	5.2 lbs

large capacity tray: PF-75

Paper Capacity:	3,000 Sheets
Paper Weight:	16 – 28 lb Bond
Paper Size:	8.5" x 11"
Dimensions / Weight:	23.2"W x 12.4"D x 23"H / 48 lbs

dual paper drawers: PF-70

Paper Capacity:	2 x 500 Sheets
Paper Weight:	16 – 28 lb Bond
Paper Size:	5.5" x 8.5" – 11" x 17"
Dimensions / Weight:	23.2"W x 12.4"D x 23"H / 57.4 lbs

connectivity options:
print / scan: PRINT / SCAN SYSTEM (U)
print:

Controller:	Embedded PowerPC750 / 500 MHz Controller
Printer Memory:	Standard 64MB, Upgradeable to 576MB via 100 Pin DIMMS, Optional Printer HDD, Standard CF Card Slot (Type 1)
Supported PDL / Emulations:	PRESCRIBE, PCL6 (PCL XL, PCL 5e), KPDL3 (PS3), KCGL (HP-GL/2), Diablo 630, IBM ProPrinter X24, Epson LQ850, Line Printer
Fonts:	80 Outline Fonts for PCL XL/5e, 136 Outline Fonts for KPDL3, 1 Bitmap Font
Windows™ OS Compatibility:	Windows™ 95/98/Me/NT4.x/2000/XP
Novell™ OS Compatibility:	Novell NetWare™ 3.x/4.x/5.x
Mac OS Compatibility:	OS 8.x/9.x/10.x
UNIX OS Compatibility:	Sun OS 4.1.x; Solaris 2.x; AIX, HP-UX (LPR)
Connectivity / Interface:	Standard 10/100BaseTX, Parallel IEEE1284, High Speed USB 2.0
KUIO LV Expansion Slots (2):	Optional Printer Hard Disk Drive Optional IB-22 Enhanced Wireless NIC; IB-20 10/100BaseTX, 10Base2; IB-11 Serial Interface
Supported Protocols:	TCP/IP, IPX/SPX, AppleTalk, NetBEUI
Driver:	KX Driver for Windows™, PPD for Mac, PPD for Linux/UNIX
Utilities:	KM-NET Viewer, KM-NET Remote Operation Panel, PDF Direct Print, KM-NET Job Manager, KM-NET Printer Disk Manager, Network Advanced Setup Utilities, PRESCRIBE Utilities

scan:

Resolution:	200, 300, 400, 600 DPI
Scan Speed:	50 Originals Per Minute (All Models)
File Formats:	PDF, TIFF
Connectivity:	Standard NS-30 10/100BaseTX
Supported Protocols:	TCP/IP
Scanning Features:	KM Document Flow System - Document Management System, Scan to PC/File, Scan to Mac, Scan to E-mail, TWAIN
Driver:	TWAIN Driver
Utilities:	KM DB-Assistant, KM Scanner File Utility, Scan to Mac Utility, KM Scanner Address Book, Address Book Editor, LDAP Converter Utility, Network Advanced Setup Utilities

printer hard disk drive:

Enables Document Printing and e-MPS Functions; Private Print, Job Storage, Quick Copy, Proof & Hold, Virtual MailBoxes

fax / network fax: FAX SYSTEM (J)

Compatibility:	Super G3
Transmission Speed:	Approximately 3 Seconds Per Page
Modem Speed:	33.6 Kbps with Auto Fallback
Data Compression:	JBIG, MMR, MR, MH
Fax Memory:	Std 8MB / Max 16MB
Driver:	KM Network Fax Driver
Utilities:	Address Book for NW Fax
Additional Features:	Duplex TX/RX, Confidential RX/TX, Polling, Broadcasting, 2 in 1 RX

copier hard disk drive: HD-70

Enables Advanced Copier Document Management; Synergy Box, Shared Data, Forms Gallery; Store up to 70,000 Pages, Repeat Copy, 1,000 Management Codes

additional options:

Copier HDD (HD-70), Job Separator (J-1402), 8MB Fax Memory Board (FM1-8MB), Stand
